

GREASE ROUNDUP

This holiday season, we're making it easier than ever to Cease the Grease! The City of Hurst encourages residents to collect and recycle or safely dispose of all used fats, oils and grease. When these items are washed down the drain, it sticks inside pipes. This hardening eventually leads to build up that clogs and damages the sanitary sewer system. You can recycle it for FREE at our drop off location at the north end of the Service Center parking lot at 2001 Precinct Line Road from November 14, 2022 - January 3, 2023.

AMBULANCE BILLING SUBSCRIPTION

The City of Hurst is offering citizens an ambulance subscription service to help offset the costs of emergency ambulance transportation. Insurance companies routinely do not pay the entire amount of ambulance transportation, leaving the patient with the responsibility of paying the balance of the bill. The purpose of the subscription service is to cover the amount not covered by your insurance provider or Medicare. If a person does not have health care insurance, this program covers emergency medical services delivered prior to hospital arrival. For \$60 per year per family, you will never have to worry about paying an ambulance bill. Medicaid Recipients are not eligible for this program.

Ambulance Subscription Service enrollment is going on now through December 31, 2022.

For all the details, search Ambulance Subscription at hursttx.gov.

HURST HISTORY

The City of Hurst is celebrating its 70th anniversary this year!

It all began in 1952 when Hurst was incorporated into a general law city. We have experienced significant growth and transformation over the last 70 years, and we are proud of where we are today. We recently updated our Hurst History video which is made available on our website. To view the video and learn more about all the ways we are celebrating this milestone anniversary, visit hursttx.gov/70thAnniversary.
